

# QuickFunded Ltd – Refund Policy

Effective Date: 06 April 2025

## 1. Right to Cancel – Digital Services

Under UK Consumer Contracts Regulations, clients have the right to cancel a digital service purchase within 14 days of the transaction—commonly referred to as the 'cooling-off period.' However, this right is waived once the service is accessed or used. At QuickFunded Ltd, access is defined as any login to the challenge dashboard, platform access, or initiation of any trading activity.

## 2. Refund Eligibility

A full refund will be granted only under the following conditions:

- The refund request is submitted within 14 days of purchase, AND
- The client has not:
  - Logged into the trading challenge or dashboard
  - Initiated or placed any trade
  - Used any educational or proprietary materials provided
  - Accessed any digital content marked as 'immediate access'

If any of the above conditions are met, the refund will be automatically declined.

## 3. Refund Timeframe

Once your eligibility for a refund is confirmed, QuickFunded Ltd will process the refund within 14 calendar days from the date of approval. Refunds will be issued via the original payment method only.

## 4. No Refund After Activation

Once the challenge account is accessed, partially used, or any trading activity has occurred, no refunds will be provided under any circumstances.

## 5. How to Request a Refund

To request a refund, please email us at **support@quick-funded.io** with your:
